The new Research Administration System, Kuali Coeus (KC), is designed to improve information management throughout the entire grant process. MSU researchers and administrators will use the new system for

- Proposal Development
- Budget Development
- Conflict of Interest Disclosures

Stay prepared by checking the project website at https://ra-project.vprgs.msu.edu

The website includes

- Information & enrollment instructions for instructor-led courses
- Educational support materials & resources
- Kuali Coeus video demonstration

Contact the KC Help Desk at (517) 355-2000 OR kchelpdesk@msu.edu
